

Do you feel lost when you hear people talking about Facebook, receiving a “tweet” or viewing a YouTube video?

Do you wonder what these symbols at the bottom of a webpage mean?

Would you like to learn a new way to befriend a friend, grandchild or old classmate?

Are you afraid to sign up for a class because you fear not catching on quickly?

Then Fairhill Partners Computer Learning Center Social Networking Class is for you!

All computer classes for adults ages 40 and older are taught by peers.

Eight — once-a-week classes:
Tuesdays, Mar. 23-May 11, 9:30-11:30
Tuesdays, Sept. 28-Nov. 16, 9:30-11:30
Cost: \$60 for 8 session class

FINDING MEDICAL INFORMATION JUST GOT EASIER!

Fairhill is using online resources from the National Institutes of Health to help older adults learn how to find accurate, up-to-date health information.

Six — once-a-week classes:
Thursdays, Mar. 25-Apr. 29, 9:30-11:30
Cost: \$50 for 6 session class

In addition to the above, we offer Word, Basic Digital Photography, Google & Beyond, Internet and Email, Genealogy, Excel, PowerPoint, File Management, and Buying and Selling on eBay.

For additional details or to register for any of our upcoming Computer Learning Center classes or workshops call Vince Tillman today at 216.421.1350, ext. 113.
