

Campaign for Kinship Village® GIFT & NAMING OPPORTUNITIES

Building #9

Three floors, 13 apartments; approximately 15,000 square feet

Renderings donated by Jack Bialosky, Sr., AIA

This building will be home to 13 families committed to kinship care – a mix of kinship families, older adult volunteers and campus employees. The renovated 1920's building will be designed for dynamic intergenerational living, emphasizing the interdependence of generations. Opportunities to commemorate past and present generations exist in communal areas as well as in each of the apartments.
