BACKGROUND CHECKS

Title 1 Section 109.57.2 of the Ohio Revised Code requires background checks for certain occupations including individuals who work with children and/or the elderly; and insurance agents.

An innovative program developed by the **Ohio Bureau of Criminal Identification and Investigation (BCI&I)** is significantly lessening chances that child molesters and felons can harm schoolchildren and other vulnerable citizens of Ohio. **WebCheck**, an Internet-based program for OHIO civilian background checks, reduces the return rate of civilian background checks to as little as several hours.

Fairhill Center processes OHIO fingerprint background checks for volunteers and employees. Fast, Easy! Results mailed directly to the requesting organization.

Cost per OHIO BCI&I check: \$47.00

Non-profits/SHAD/Larchmere Merchants Association Members - \$39.00

Special rate for Fairhill Campus Partners - \$35.00
